GREAT MEETING LAST NIGHT AT THIRD STREET CHURCH.

One of the best revivals in years in the Third Street M. E. Church is drawing to a close. The meetings have been rich in blessings from the outset. The "Mother's Meeting" last evening was, without doubt, the crowning service so far. After a rousing song service and the singing by a male quartet of "Tell Mother I'll Be There", Dr. Bunton preached one of the best sermons ever delivered in this city. His tribute to the mothers was sublime, impressive and eloquent. The church was crowded to its capacity, a large part of the congregation being mothers. When the invitation was given the altar was crowded with seekers after the better life. There were several conversions and reclamations. There were shouts of praise from many. It resembled a real camp-meeting season. Those who remained for the after service will not soon forget this service.

LET UNCLE SAM GIVE YOU THE FACTS

Government reports show the steady output of coal during the last few years has made the dealers push for wider markets. We are going to get more value—your trade—by giving you a greater value for your money. You will never get out of debt unless you buy wisely.

CHRISTIAN SHULTZ LEACH

Native of Mayville and Former Prominent Citizen Passed Away Yesterday at New Orleans.

Mr. Christian Shultz Leach, a native of Mayville died at his home in New Orleans, La., yesterday morning. Mr. Leach was a son of the late Joseph and Julia Shultz Leach and was born at the then palatial residence of his maternal grandfather, Christian Shultz, now the C. & O. passenger depot, about 1841, making him 73 years of age at the time of his death.

Mr. Leach spent nearly all his active life at Mayville where he was one of our most valued and prominent business men, leaving here for other fields about 20 years ago.

He was in the Confederate Army, but was early captured by the Federals and was imprisoned on Johnson's Island for a considerable period.

Mr. Leach married Miss Sallie McCann of Lexington, who with four children survive.

The children are Mr. Neal M. Leach, General Traffic Manager of the Texas Pacific Ry. Co., stationed at New Orleans; Mr. Crit S. Leach and Miss Julia Anderson, both also of New Orleans, the latter being a leader in kindergarten work, and Mrs. Monroe Lanier, of Birmingham, Ala.

The remains will be brought here for burial next Monday morning, arriving on the C. & O. No. 6, at 9:26, and will be taken direct to the Mayville Cemetery for interment in the Shultz family lot. Rev. R. L. Benn, of the Central Presbyterian Church will conduct brief services at the grave side, and many of his Mayville relatives and friends will be present to pay the last tribute of respect to an excellent man.
